4. Acceptance. Agreement takes effect when you sign (which includes electronic, e-mail and fax signatures) it and is conditional upon our acceptance at our sole discretion.

5. Term. The Term begins on the "Start Date" and expires on the "Expiration Date". **Start Date:** the day we begin supplying Electricity and/or Gas to your Location which shall begin with the next available meter reading after processing of the request by us and your Utility. Please contact us to terminate this contract and allow for time needed to obtain a final meter read. A new Term will begin if Agreement is renewed.

6. Renewal. This Agreement may be automatically renewed with new Terms and Conditions. We will provide renewal notices in advance of any changes to your Terms and Conditions in accordance with governing Ohio Law.

We can suspend or discontinue JustGreen at any time (you will then stop paying for it but the rest of this Agreement will remain in effect).

You agree to pay for all these related charges. **8.1 Electricity Charge.** You will be charged the Intro Price for the first billing cycle from the Start Date. After the Intro Price period expires, you will be charged a Variable Rate. The Variable Rate is subject to change each month and the rate will not be more than NYMEX + \$0.599/Ccf or NYMEX + \$5.99/Mcf. At any time you can call the Just Energy Customer Service number for your monthly price. **8.4 JustGreen Gas Charge.** Your Gas consumption, in Ccf or Mcf, multiplied by your JustGreen Gas Price. **8.5 Utility Charges.** Utility charges relate to the Natural Gas and/or Electric Utility's costs for balancing and delivery. For consumers who purchase their gas and/or electricity supply directly from a Utility, the costs associated with these charges, as well as additional costs, are recovered through the Utility's commodity charge. You understand that upon entering into this Agreement, the Utility Charges: (i) will be itemized as a separate line item on your Electricity or Natural Gas bill; (ii) are charged to you based on your total usage in each billing period; and (iii) are subject to change (the underlying rates are filed by the Utility with the PUCO). You also understand that the Utility may charge you a fee to switch to us. **8.6 Taxes.** You will pay all lawful taxes that may apply to the above charges.

9. Billing, Payment. Your Utility will bill you on our behalf at the same billing intervals used for their customers. We have the right to bill you directly. Electricity and/or Gas usage will be measured or estimated by your Utility. We can correct a billing error up to 15 months after the original incorrect bill and you will then receive a check or invoice for the applicable credit or debit. You agree to pay all amounts on your bill by the stated due date. If you fail to do so your service may be terminated in accordance with the Utility's tariffs and this Agreement may be terminated

after we give you at least fourteen (14) days written notice. You may request from us without charge, up to twice within a 12-month period, up to 24 months of your payment history for services rendered by us.

10. Lock-In Option. At any time after your Start Date, you may request a "Fixed Rate" for Electricity and/or Gas supply for the Agreement for up to the entire remaining portion of your Term. If you exercise this option you will be charged a Fixed Price (your consumption in kWh and/or Ccf multiplied by the Fixed Rate) for the remainder of your Term. JustGreen and Utility Charges are not included in the Fixed Rate. To find out what the Fixed Rate for Electricity and/or Gas is, you must call Just Energy Customer Service at: 1.866.587.8674. The Fixed Rate at the time will be determined by Just Energy at its sole discretion, and will be consistent for all customers according to their applicable Utility during that calendar month. Should you exercise this option, it may take up to 2 billing cycles for the Fixed Rate to take effect. If you select the Lock-In Option and subsequently terminate this Agreement early you will be responsible for \$50 Early Termination Fee per commodity.

11. Ending this Agreement Early, Breach. If this Agreement ends early, for any reason, you must still pay all amounts charged to you up to the early end date. If you switch back to your Utility you may or may not be served under the same rates, terms, and conditions that apply to other customers served by your Utility. **Your Right to Cancel:** You may cancel this Agreement early per your right to rescind described in paragraph 2. In addition you may cancel through Just Energy at any time without an early termination fee. If this Agreement has already been processed by your Utility, then it may take between 1-2 meter reads for cancellation to take effect. You may terminate this Agreement without penalty if you move outside our service area or into an area where we charge a different price. **Our Right to Cancel:** We may end this Agreement, at no cost to us, if: (a) required /allowed by law; (b) the Utility is unable to service your Location; (c) a legislative or regulatory change materially alters our ability to perform this Agreement; (d) you move; or (e) you commit a "Breach".

15. Consumer Protections. If you are a new customer and Just Energy processed your agreement for service and it was approved, your Utility will send you a confirmation notice to confirm your decision. Unless required by Governing Law (including, for example, a Utility service change, administrative fee change, change in law, or other regulatory order), you will have 30 days to reject the amendment, in writing. We will not amend the Term or Price without your oral or written consent and can use these same Terms and Conditions for the new Term or Price. The above generation resource mix is based on data provided by the Public Utility Commission of Ohio for 2013 for the state and is therefore being used as a proxy for Just Energy's supply mix. Just Energy also purchases Renewable Energy Credits (RECs) as a means of complying with the renewable energy resource benchmark under the state's alternative energy portfolio standard requirements. Numbers above do not include incremental RECs purchased for Just Energy's JustGreen product. For this product, an incremental percentage of RECs are purchased.

With in-depth analysis, the environmental characteristics of any form of electric generation will reveal benefits as well as costs. For more information, please contact Just Energy at www.justenergy.com or 1.866.587.8674
